The Evidence Against Them Was Said
to Be Conclusive, and the Trial
Didn't Rest on Formal-
ties.

Villeplatte, La., Aug. 2.—Two negroes, against whom there was said to be conclusive evidence of serious and daring burglaries and other outrages, were taken out in the woods to-day and were shot to death. The men were Ed. Jackson and Will Miller.

Jackson and Miller were charged specifically with burglary and with intimidating woman. The men were discovered in a camp in the woods, where a large amount of plunder was located. Shortly after their arrest the men were taken from the jail to the woods, where they were tried by a jury of twelve members and condemned to be shot. Then they were taken out and shot to death.

STOLE FROM PASSENGERS.

Colored Porter of the Calvin Austin Ar-
rested For Theft.

Boston, Aug. 2.—The mystery of the robbery of the steamer Calvin Austin of the Eastern Steamship Co., plying between this port and St. John, N. B., by which during the last two years the boat and its passengers have lost thousands of dollars is believed by the police of this city to have been cleared up by the arrest yesterday of Thomas W. Wright, aged 21, a colored porter on the steamer.

Upon being searched, Wright was found to have two watches which had been reported stolen, one of which was valued at \$75 and the other \$30. The police claim they recovered more than \$100 worth of booty in the man's Roxbury home. On his person was also found a bankbook, showing that in the last thirty-five days he had deposited in a Boston bank about \$1,000. Wright is held by the police on a specific charge of the larceny of the watches.

PUBLIC DROWNING.

Sharon, Mass., Aug. 2.—Samuel C. Lee and Ernest A. Hambley, both of Boston, were drowned shortly after 5 o'clock yesterday afternoon in Mianis pond, in what barely failed of being a quintuple fatality.

Both men were the guests of E. J. Dyer of South Main street, the superintendant of the Acme thread works, and had gone for a swim in the mill pond in the rear of the factory, while Mr. Lee and Mrs. Helen Seaboyer, formerly of Somerville, to whom Lee is said to have been engaged, were watching them from the milldam.

The May Hillman company, which opens a week's engagement at the opera house this evening, arrived in the city this noon from Belknap Falls where it played last week.

Wife Insane With Jealousy.
Killed Her Husband and Woman She
Found With Him.

Canton, O., Aug. 2.—An elopement terminated in the murder of Tony Panelli and Mrs. Clara Pizzani by Mrs. Panelli, wife of the slain man, here yesterday. After shooting her husband, Mrs. Panelli attacked Mrs. Pizzani with a butcher knife. A terrible struggle followed during which Mrs. Pizzani was stabbed 50 times.

During the struggle Mrs. Pizzani succeeded in reaching a telephone and holding her antagonist at bay while she called the police station. Mrs. Panelli overpowered her, however, before the telephone connection was completed and Mrs. Pizzani was dead when the police learned of the trouble.

Panelli deserted his wife in Deans, N. J., and Mrs. Pizzani left her husband, Peter Pizzani, and a child, in New York City and eloped to Canton last February 12, the police say. Upon advice from the New York authorities the Canton police arrested the couple but released them later when the case against them was dropped.

Mrs. Panelli later came to Canton and found the couple together. Her husband agreed to live with her again if she would permit Mrs. Pizzani to occupy part of their residence. The woman agreed to this and for the last month the three have been occupying the house together.

Mrs. Panelli gave herself up to the police. She said she saw her husband in Mrs. Pizzani's room and the sight crazed her.

SUICIDE IN PRIEST'S HOME.

Man Supposed to Have Been Frank
Sauldis of Brewer, Me.

Boston, Aug. 2.—A Lithuanian, supposed to have been Frank Sauldis of Brewer, Me., committed suicide at 6:30 last evening by cutting his throat with a razor in the cellar of the home of Rev. Joseph Grichus, 498 East 7th street, South Boston.

The priest out of pity for Sauldis, who told a story of people chasing him and his living in the woods the greater part of last week, took him into his home Saturday, gave him food, shelter and medical attendance. From a letter found in the man's pocket, written in Lithuanian, and an envelope addressed to Frank Sauldis, 115 Salem street, Boston, with a Bangor, Me., postmark, the letter being written on paper of the Eastern manufacturing company, however, Me., the authorities got that name.

BIG CHURCH
DEDICATEDFinancial Embarrassment of
Newport Catholics Ended

WERE TROUBLOUS TIMES

The Notes and Mortgages on One of the
Finest Structures in the State Have
Been Wiped Out—Exercises
Yesterday.

Newport, Aug. 2.—St. Mary's Roman Catholic church, the erection of which was begun five years ago, was dedicated yesterday, a large number of clergymen and laymen being present. The dedication began in the morning with the blessing of the church by His Lordship, Bishop Z. Racicot, of Montreal. Following this a sermon in English was delivered by the Rev. D. J. O'Sullivan of St. Albans, and a sermon in French by the Rev. E. J. Anselin, of Montreal.

At 12:30 o'clock refreshments were served, and between the hours of 3 and 6 o'clock there was an auction on Lake Memphremont on the steamboat Lady of the Lake for the purpose of viewing the church from a distance, together with the surrounding country. At 7:30 o'clock vespers and benediction of the blessed sacrament were held. The present pastor of the church is the Rev. J. M. Bastien who was appointed to the place last January, while his assistant is the Rev. P. E. Boivin who came here in February from Albany.

The dedication of St. Mary's church closes a litigation extending over three years or more. Soon after the erection of the edifice was begun the trouble started, it being alleged that the pastor, the Rev. A. P. Merment, was acting without the authority of the Rt. Rev. J. S. Michael, bishop of the diocese of Burlington. Work was continued, though slowly, until about three years ago when it was impossible to proceed further because of lack of funds.

In September last the Barton Savings bank foreclosed the first mortgage upon the church and red stone house which had been erected under the direction of Father Clermont. Beside this mortgage there were first and second mortgages and over \$30,000 of unsecured debts the latter being held largely by members of the parish and business firms of Newmarket. A large portion of the debt was held by members of the parish, some of whom put in practically all the money they had, expecting that when the church was opened they would get their money back, and nearly all contributed very largely toward the reduction of the debt.

Several propositions were made looking toward a settlement of the difficulty. There was a large hall built by Father Clermont a number of years ago upon his own land, upon which there was a mortgage of about \$1,000 in addition to the mortgages on the other property. The mortgage of this hall offered to cancel the mortgage on it. Father Clermont offered the bishop and diocese the new church, the new presbytery, the hall, and all the land he owned, except a small piece which was mortgaged for all it was worth, provided the diocese would furnish \$25,000 and the interest, which had accrued since January 1, 1908. A proposition was also made to the bishop and diocese by a banking firm in Montreal to furnish Father Clermont \$40,000 without any liability on the part of the bishop or diocese, provided the bishop would authorize the church to be opened and consent to the loan.

This last proposition was refused and the diocese voted to offer \$24,000 for all the property which Father Clermont owned, with the condition attached that he should then resign the pastorate of the church here.

In January last Father Clermont was assigned to the pastorate of the church in Richmond and at that time the Rev. J. M. Bastien came here from Albany. In June the business affairs of the church were settled by A. G. Whittemore, of Burlington, the diocesan attorney. The Orleans Trust Co., of this place was paid its mortgage of \$10,000; the Barton Savings Bank, \$20,000; and the claims of the unsecured creditors, which amounted to \$40,000, were settled by a payment of 50 per cent. It was then announced that the church would be opened for services soon.

In the opinion of many people Father Clermont's mistake was an error of judgment and his friends maintain that there was no intent on his part to defraud any of the contributors to the church building project. It is asserted that he put every dollar of his own in to the project that he left here penniless and broken hearted.

SUDDEN DEATH AT WATERBURY.

Mrs. Charles Clark, One of The Town's
Most Esteemed Women.

Waterbury, Aug. 2.—Mrs. Charlotte Lougee Clark, wife of Charles Clark, died suddenly at her home in this place at 10:45 o'clock last night. Mrs. Clark had a bad turn two weeks ago but yesterday was about as usual and conversed with neighbors in her yard. When her condition was discovered last night physicians were summoned, but they arrived too late to be of any avail.

Mrs. Clark was 70 years of age and was one of the most esteemed women in Waterbury. She was a member of the Congregational church and was treasurer of the Woman's Home Missionary society of that denomination at the time of her death. She leaves her husband and one sister, Mrs. Holton, an invalid, who lived with Mr. and Mrs. Clark.

The funeral will be held from the house Tuesday morning at ten o'clock. In the absence of the Congregational minister, the Rev. W. C. Johnson of the Methodist church will officiate.

SERIOUSLY INJURED
IN A RUNAWAY

Kenneth C. Taggart Thrown on His
Head in The Road at Burlington
Saturday Evening.

Burlington, Aug. 2.—Kenneth C. Taggart, brother of C. W. Taggart, superintendent of the electric light plant, and a lineman employed in the department is lying in a critical condition at the Mary Fletcher hospital where he was taken after being thrown from a wagon in a runaway late Saturday night. His condition is not yet known but it is feared that dangerous consequences may result from a bad blow on the back of his head when he struck.

Mr. Taggart with F. E. Rollif and F. L. Casey, two other employees of the electric light department, were driving down Main street with a load of provisions for a fishing trip when opposite the Van Ness house some of the fish poles struck the horse which dashed down the street at full speed, the poles continued to strike the horse which became infuriated and struck the corner of Main and Battery streets. Taggart, who was sitting in one of the rear seats, was thrown and struck the back of his head on the curb. He was picked up by unconscious and hurried to the Mary Fletcher hospital in the ambulance. Dr. F. W. Baylies was summoned and did what could be done for the injured man.

The horse was stopped a short distance from the spot where the accident took place. Last night Taggart was reported as being mentally disturbed. His father, J. R. Taggart of Charlotte, was sent for and he arrived here yesterday. None of the other occupants of the wagon or the horse were injured.

NORTHFIELD HOUSE
DESTROYED BY FIRE

A. L. Case's Property Wiped Out Sun-
day Morning With a Loss of \$2,500.
Partially Insured—Cause Is
Not Known.

Northfield, Aug. 2.—The house in the center village, occupied by A. L. Case, with barn attached, were burned at an early hour Sunday morning. A child in the house was awakened at one o'clock by an unusual noise and called to his aunt in an adjoining room that the rats were making a big noise gnawing. She awakened and aroused the other inmates. A horse and several hens and chickens were burned to death. A portion of the household furniture was saved. Both house and barn were reduced to ashes. Nothing was saved from the barn, which along with other property contained a quantity of hay. A defective chimney is surmised to be the cause of the fire and another guess is that some one had been smoking in the barn. The loss is said to be \$2,500. A small insurance was carried.

FIREBUG AT WORK.

Burlington's North End Is Getting Stir-
red Up By Actions.

Burlington, Aug. 2.—The barn owned by John Martin of 270 North End was totally destroyed and the house somewhat damaged by fire Saturday night. At 11:45 an alarm was rung in from box 24, at the junction of LaFontaine and Spring streets. The firemen made a very quick response, but when they arrived upon the scene the barn was practically ruined and they confined their efforts to saving the house, the rest of which was saved. Luckily enough there was no wind and after half an hour's hard fighting the entire blaze was extinguished and the house only slightly damaged, although there was nothing to be seen of the barn but three corner beams.

Mr. Martin is a hack driver and at the time of the fire was out of town, so that his horse and carriage were out of danger. However, his feed, a large amount of lumber, and a harness were totally destroyed. The intense heat cracked the cylinder of a gas engine which happened to be in the barn at the time. The loss is partially covered by insurance.

It is suspected that the barn was set on fire and people in the vicinity think that they have some clue as to who the miscreants are, as this is not the first fire that has occurred in that part of the town, within a comparatively short time.

SAW RISING SMOKE
BUT DELAYED ALARM

Plymouth, Mass., Farm Hand Stopped
to Milk The Cows and Then He
Gave Alarm of Fire.

Plymouth, Mass., Aug. 2.—The large stock stable and riding school on the Elton D. Jordan estate at Chiltonville were destroyed by fire yesterday morning, causing a loss estimated at between \$60,000 and \$70,000. The estate was not occupied.

It is said the fire was first discovered about 2:30 by a milkman who was on his way to milk his cows. At that time smoke was issuing from the cupola of the stock stable.

Instead of at once giving the alarm the milkman waited until he had milked the cows. Not until his return home did he notify anyone of the blaze.

At 5 o'clock, upon hearing the news, Arthur Churchill rung in an alarm from the telephone office near private box 421. Steamer 1, drawn by four horses, responded, but as the estate is four miles away, the two buildings were all ablaze upon its arrival.

The private steamer owned by Mr. Jordan, which is a very powerful one, could not be used as there was not a sufficient number at the fire to operate it.

The stock stable was situated beside the Sandwich road and was about 200 feet long and two stories high. It was finished in hardwood and contained a large number of stalls. Twenty-five tons of hay, the property of Charles A. Stone, who has a summer place on Warren Cove, as well as a number of wagons and farming implements, were stored in the stable.

The riding school adjoining the stable, which was also destroyed, was a handsome structure, much larger than the other building.

1,000 PEOPLE
AT PICNICSt. Monica's Church Had
Great Success

AT DEWEY PARK SATURDAY

Iroquois Tribe of Red Men Held Its
Annual Picnic at Caledonia Park
The Same Afternoon—A Grand
Cutter's Picnic.

The annual picnic which was held at Dewey park Saturday afternoon by the parishioners of St. Monica's church was one of the most successful outings ever held at that place. Over one thousand people visited the park during the afternoon and early evening and enjoyed the entertainment afforded there. There was dancing in the pavilion to the strains of music furnished by Riley's orchestra.

There were races for the children, in which many participated, but the real attraction in the line of sports during the afternoon was a tug of war between the members of the St. Monica's church and a group of stalwarts chosen from the ranks of the St. Jean Baptiste society. Both teams had been practicing for days but apparently the practice did more for the members of the St. Jean society, for after a long pull, a strong pull and a pull all together, they succeeded in besting their opponents.

The members of the St. Jean Baptiste society who took part in the pull were C. Gamache, captain, E. Desjardis, J. Pruneau, C. Plouffe, J. Brisson, F. Genais, O. Croteau, G. Croteau, E. Croteau and A. Martel.

Refreshments were served during the day, and the stands at which they were served were well patronized. Dancing continued well into the evening when the party broke up and its members returned to their homes.

The committee which had charge of the arrangements and to which the success of the outing was in a large measure due was composed of Rev. E. F. Cray, P. E. McNulty, D. J. Sullivan, J. Bonhard, Miss M. R. Oram, Mrs. William Mackie and Mrs. James Trube.

RED MEN IN WOODS.

On Peaceful Mission Bent and Also Out
for a Good Time.

A jolly party of 250 people—members of Iroquois tribe of Red Men and their families—gathered at Caledonia park Saturday afternoon for their annual picnic and the affair was one of great enjoyment to all, the fun beginning shortly after noon and continuing until dark. Dancing in the pavilion concluded the day's amusements, music being furnished by Coburn's orchestra. They danced as long as daylight lasted and then turned their steps homeward, even then looking ahead to next year's outing.

Sports and games filled out the afternoon, not the least of which was a base ball game between teams captained by Ira Wright and Peter Brown. The former won by the score of 5 to 1, and the feature of the game was the partiality of the umpire, Pat McCarthy, toward the team which eventually won the game. The defeated side claims that the umpire passed over the game to the other fellows on a silver platter and he did it without blushing.

Another feature of the day was the contest between the single and the married men in foot ball, the former being captained by George McLeod and the latter by W. W. Russell. Russell's men won with a whitewash, the tally being three to nothing. A special foot race between Bill McHardy and Jim Reid also attracted great attention, McHardy pulling in ahead by ten feet.

The results of the other contests were as follows:
Married ladies' race, Mrs. W. Naughton, Mrs. J. Gaul and Mrs. W. F. Walker.
Young ladies' race, Miss Lizzy Smart, Miss Robertson and Miss Barbara McDonald.
Boys' race, George Ross, Alex. Brown and Frank Barril.
Girls' race, Mary Smart, Bella Wood and Margaret Beagrie.
Farmers' race, George McLeod, William McHardy and Robert Shepard.
Little boys' race, James Grigg, Alex. Paul and Charles Gray.
Little girls' race, Annie McKerron, Timie Fair and May Paul.
Ladies' place kick, Mrs. W. Sangster, Mrs. C. Grigg and Mrs. G. Cormick.

The Red Men's committee which made the affair a success were Walter Morgan, W. F. Walker, Ira Wright, John Daniel, George Morgan, Alex. McCaskill.
